## Code of conduct for Teachers

1. A teacher must be calm, moderate and conversational in nature and friendly in nature.
2. Follow a responsible code of conduct.
3. Strive for continuous professional growth through study and research, writing and polite conduct.
4. Actively participate in professional meetings, seminars, conferences etc. to express open and articulate opinion for contribution of knowledge.
5. Co-operate and assist in carrying out tasks related to the academic responsibilities of the College such as: assisting in the evaluation of applications for admission, advising and counseling students as well as assisting in conducting college examinations including supervision, monitoring and evaluation, and  
Participate in extension, co-curricular and extracurricular activities including community service.
6. Respect the student's right to express their opinion and dignity.
7. Deal fairly and impartially with students irrespective of their religion, caste, gender, political, economic, social and physical condition.  
Encourage students to develop their personalities and at the same time contribute to the welfare of the community.
8. To inculcate in students a scientific, progressive and rational attitude and respect for manual labor and the ideals of democracy, patriotism and peace.
9. Treat students with affection and do not act vindictively against any of them for any reason.

10. Make yourself available to students beyond their classroom hours and help and guide them without compensation or reward.

11. Refrain from inciting students against colleagues or administration.
